

Our Mission

The Worcester Seventh-day Adventist Church is a community of believers that is committed to study God's Word, preaching and teaching the good news of salvation through Jesus Christ, equipping members for ministry, nurturing maturing relationships with Him, and offering compassionate care to those in need as we try to reach our community.

Our Values

Worship – Quality Christ centered worship services.

Global awareness – Belonging to the worldwide Seventh-day Adventist Church

Outreach – Sharing the gospel through personal witnessing and **health evangelism** in our community and through the world.

Education – Distinctive Adventist Christian education for students attending Worcester Adventist School.

Service – Encouraging, equipping, and empowering members for ministry.

Discipleship – Personal growth in Christ through Bible study, prayer, meditation, fellowship and other spiritual disciplines to prepare for this life and for eternity.

Children – providing for children the resources and opportunities to know Jesus and establish a relationship with Him and His church family.

Youth – Furnishing a safe, accepting environment for youth where they may mature in their relationship with Jesus, and realize their worth to Him, to others, and to themselves.

Families – Strengthening families by encouraging them to live balanced lives spiritually, physically, and mentally.

Music – Expressing our praise to God through the gift of music to enhance our worship and as an outreach to our community.

Compassion – Responding to the physical needs of the people in our community by providing emotional support, food, clothing, and other necessities.

Stewardship – Faithfully managing the time, abilities, and provisions with which God has blessed us.

Our Vision

Our vision as a Seventh-day Adventist congregation in Worcester County is to be a growing community of believers that is passionately devoted to Christ and committed to modeling His life. Because we believe His return is soon, we see great urgency for creating new and appealing methods of presenting the gospel. Our programming will emphasize **small group ministry** with every individual valued and included. We will continue to develop the church school to match the divine principles for Christian Education.
